

CURRICULUM VITAE

NAME: Barry A. Kogan, M.D.

DATE OF BIRTH: June 3, 1952

PRESENT TITLE: Professor of Urology and Pediatrics
Chief, Division of Urology
Albany Medical College
Albany, New York

BUSINESS ADDRESS: Urological Institute of Northeastern New York
Community Care Physicians
23 Hackett Blvd.
Albany, New York 12208

EDUCATION:

Northwestern University Evanston, IL	Degree: B.S., Medicine	1970-1972
Northwestern University Medical School Chicago, IL	Degree: M.D.	1972-1976

POSTGRADUATE TRAINING:

Intern:	General Surgery (under Jeremiah Turcotte M.D.) University of Michigan Medical Center Ann Arbor, MI	1976-1977
Assistant Resident:	General Surgery (under Jeremiah Turcotte M.D.) University of Michigan Medical Center Ann Arbor, MI	1977-1978
Resident:	Urological Surgery (under Jack Lapidus M.D.) University of Michigan Medical Center Ann Arbor, MI	1978-1980
	Chief Resident and Administrative Senior Resident (under Jack Lapidus M.D.) University of Michigan Medical Center Ann Arbor, MI	1980-1981
Fellow in Pediatric Urology:	J. Herbert Johnston Fellow Alder Hey Children's Hospital and University of Liverpool (under J. Herbert Johnston M.D.) Liverpool, England	1981-1982

POSITIONS HELD AFTER COMPLETION OF POSTGRADUATE TRAINING:

University:	Professor Departments of Surgery (Urology) and Pediatrics Albany Medical College	July 1, 1997 to present
	Professor Departments of Urology and Pediatrics University of California, San Francisco	January 1, 1995 to June 30, 1997
	Associate Professor Departments of Urology and Pediatrics University of California, San Francisco	July 1, 1988 to December 31, 1994
	Assistant Professor Department of Pediatrics University of California, San Francisco	April 18, 1984 to June 30, 1988
	Assistant Professor Department of Urology University of California, San Francisco	August 1, 1982 to June 30, 1988
Other:	Chief, Pediatric Urology Section Department of Urology University of California, San Francisco	August 1, 1982 to June 30, 1997
	Chief, Division of Urology The Albany Medical College	July 1, 1997 to present

BOARD CERTIFICATION:

American Board of Urology, Feb. 1983

MEMBERSHIP IN SCIENTIFIC SOCIETIES:

American Academy of Pediatrics, Fellow
 American Association of Genitourinary Surgeons
 American College of Surgeons, Fellow
 American Medical Association
 American Society of Nephrology
 American Urological Association
 American Urological Association, Northeastern Section
 British Association of Urological Surgeons, Associate Member
 European Society of Pediatric Urology, Associate Member
 Genito-Urinary Reconstructive Surgeons
 National Kidney Foundation
 Reed M. Nesbit Urological Society
 Society for Pediatric Urology, Fellow
 Society for Fetal Urology
 Society Internationale de Urologie
 Society of University Urologists

HOSPITAL STAFF APPOINTMENTS:

Albany Medical Center Hospital	Attending staff
--------------------------------	-----------------

SERVICE TO PROFESSIONAL ORGANIZATIONS:Albany Medical Center

Medical Staff	Operating Room Committee	1997-present
	Operative Services Quality Improvement Team	1997-present
	South Clinical Campus Council	2002-present
	Chair	2006-present
	Medical Staff Executive Committee	2002-present
Faculty Practice	Oversight/Executive Committee	2001
Medical School	Search Committee: Department of Internal Medicine	1998
	Search Committee: Division of Orthopedic Surgery	2000

University of California, San Francisco School of Medicine:

Medical Staff	- Subcommittee on Quality of Care	1984-1988
Medical Staff	- Utilization Review Committee	1987-1997
	Chairman	1988-1996
Medical Staff	- Quality Assurance Executive Committee	1988-1996
Medical Staff	- Special Task Force Re: In-Hospital Costs	1989-1990
Medical Staff	- Member of Radiocontrast Subcommittee of Hospital Pharmacy and Therapeutics Committee	1989-1990
Medical Staff	- Member of Task Force on Physician Cost Awareness	1989-1990
Medical Staff	- Marketing and Planning	1989-1995
Medical Staff	- Governing Board for Continuing Medical Education	1993-1997
Medical Staff	- Academic Senate, Department Representative	1995-1997
Medical Staff	- Credentials Committee	1996-1997
Medical Staff	- President Elect (7/96)	1996-1997
Medical Staff	- Operating Room Committee	1996-1997
Medical Staff	- Special Committee - ByLaws	1996-1997

American Academy of Pediatrics, Section on Urology:

Program Committee	1986
Pediatric Urology Research Prize Committee	1987-1989, 1991, 1995
Chairman	1989
Committee on Neonatal Circumcision	1987
Local Arrangements Chairman	1988, 1992, 1995
Program Committee Chairman	1990
Publications Committee Chairman	1991
Subcommittee on Pediatric Urology Research Funding	1991 - 1998
Executive Committee	1990 - 1993
	2003 - 2006
Chair-Elect	2003 - 2004
Chair	2004 - 2005

Western Section, American Urological Association:

Audio-Visual Chairman	1988
Post-graduate Education Committee	1987-1995
Chair	1992-1995

Northeastern Section, American Urological Association:

Board of Directors	1999-2001
Program Committee	2001-present
Research Committee	2002-2005
Arrangements Committee	2006-present
Awards Committee	2006-present
Secretary	2002-2006
President-Elect	2005-2006
President	2006-2007
Past President	2007-present

American Urological Association:

Public Relations Committee	1989-1990
Public Media Relations Committee	1990-1995
AUA/AFUD Research Committee	1996-1997
AUA Prize Essay Committee	1996-1999
Graduate Medical Education Committee	2001-2004
AUA Research Committee	2002
Program Committee	2002-2007
Team Leader	2003, 2005-7
Bylaws Committee	2003-2006
Research Priorities Group	2003-2006
Section Secretaries Committee	2003-2006
Public Media Committee	2004-present

GU Reconstructive Surgeons:

Board Member	1993-1999
Program Co-chair	1994

Society for Pediatric Urology:

Local Arrangements Chairperson	1994
--------------------------------	------

The Society for Fetal Urology

President	1994-1995
-----------	-----------

American Foundation for Urologic Disease:

Pediatric Council	1993-2005
Vice-Chair	2004-2005

National Kidney Foundation

Pediatric Nephrology/Urology Council	1993-1999
Chair	1998-1999
Pediatric Nephrology/Urology Committee	2000-2003
Chair	2000-2002
Enuresis Steering Committee	1997-2000
Enuresis Committee	2000-2003

<u>National Kidney Foundation - Northern California</u> Medical Advisory Board		1994-1997
<u>National Kidney Foundation - Northeast New York</u> Medical Advisory Board		1998-2003
Chair		1999-2002
Board of Directors		1999-2000
<u>The California Urology Foundation</u> Research Advisory Committee		1995-1997
<u>The National Institutes of Health</u> Special Study Section		1995, 1997, 2005
Chair		2005
Ad-Hoc Reviewer		2003-2007
Pediatric Urology Strategic Plan (co-director)		2003-2005
<u>The American Board of Urology</u> ABU/AUA Examination Committee		1992-1998
Pediatric Urology Consultant		1998-2002
Oral Board Examiner		1998, 1999, 2003-2007
Trustee		2007-present
<u>The Pediatric Urology Coordinating Council</u> Research Committee		2001-present
Chair		2001-present
<u>Community Care Physicians</u> Board of Directors		2006-present
Finance Committee		2006-2007
<u>Capital Region Medical Research Foundation</u> Board of Directors		2005-present
<u>SERVICE TO PROFESSIONAL PUBLICATIONS:</u>		
Editorial Board		
AUA CD-ROM Editorial Board		1996-2003
Urology, Index and Reviews		1998-2000
Brazilian Journal of Urology		2004-2006
Reviewer		
The Journal of Pediatrics	Consultant	1985-2000

Urology	Consultant	1993-2006
Pediatrics	Consultant	1989-2006
BJU International	Consultant	2003-2005, 2007
Fetal Diagnosis and Therapy	Consultant	1993-1995
American Journal of Physiology	Consultant	1996-2001
European Journal of Urology	Consultant	1996
International Journal of Biochemistry and Cell Biology	Consultant	1996
Nature Clinical Practice Urology	Consultant	2007
Neurourology and Urodynamics	Consultant	2000, 2001, 2003
Scandinavian Journal of Urology	Consultant	2001

and Nephrology		
Advances in Neonatal Care	Consultant	2004
Asian Journal of Andrology	Consultant	2004
International Journal of Urology and Nephrology	Consultant	2006

GRANTS:

Principal Investigator		
Academic Senate, UCSF	1985-86	\$ 5,331
"Cryptorchidism: Etiology and Infertility"		
Research Evaluation and Allocation Committee, UCSF	1989-90	\$ 11,328
"Fetal Bladder Obstruction"		
American Heart Association	1989-91	\$ 58,837
"Hemodynamics of Fetal Urinary Obstruction and Relief"		
NIH - NIDDK	1991-94	\$ 327,713
"Consequences of Early Bladder Outlet Obstruction"		
Academic Senate, UCSF	1993	\$ 6,075
Committee on Research Shared Equipment Grant		
National Kidney Foundation of Northern California	1996-1997	\$ 9,200
"The Functional Effects on Chronic High Urinary Flow on Partial Ureteral Obstruction"		
National Kidney Foundation of Northern California	1995-1996	\$ 30,000
"The Role of Endothelin-1 in the Obstructed Fetal Urinary Tract" - San Borirakchanyvat, M.D. (sponsor)		
National Kidney Foundation of Northern California	1996-1997	\$ 30,000
"Differential Expression of Growth Factors in Renal Development and Compensatory Renal Hypertrophy and Hyperplasia" - Hiep T. Nguyen, M.D. (sponsor)		
National Kidney Foundation of Northern California	1997-1998	\$ 30,000
"Effect of KGF on Branch Morphogenesis of the Kidney"- Hsi-Yang Wu, M.D. (sponsor)		
American Association of Pediatric Urologists	2001	\$ 10,000
"Gender Differences in Fetal and Neonatal Bladder Function"		

CLINICAL TRIALS:

Astra-Tech Low-Friction vs. Traditional Catheters	1995-1996	\$19,000
Bayer Pharmaceuticals Ciprofloxacin in Complicated UTIs	1999-2002	\$44,548
Bioform Coaptite for the Treatment of Reflux	2001-2004	\$132,218
Pharmacia Tolterodine for Detrusor Instability	2002-2003	\$20,219
Watson Pharmaceuticals Oxybutynin Transdermal in Children	2004-2006	\$27, 992

POSTGRADUATE TRAINEES:

Charlotte A. Massad, M.D.	07/89 - 7/91
Kwang M. Kim, M.D.	11/90 - 12/91
Guy Bogaert, M.D.	10/91 - 6/94
Robert Mevorach, M.D.	10/92 - 9/94
Ronald Sutherland, M.D.	07/94 - 6/96
Michael DiSandro, M.D.	07/95 - 6/97
Ali Erol, M.D.	12/96 - 6/97
Ahmet Aslan, M.D.	04/98 - 10/98
Annette Schroeder, M.D.	05/99 - 12/00
San-Dong Lee, M.D.	12/00 - 3/01
Seiji Matsumoto, M.D.	06/01 - 12/02
Ahmet Aslan, M.D.	10/01 - 12/02
Canan Aldirmaz Agartan, M.D.	06/03 - 08/04
Erim Erdem, M.D.	07/04 - 12/04
Alpha Lin, M.D.	11/04 - 10/05
Bulent Onal, M.D.	07/05 - 6/06
Ahmet Guven, M.D.	10/05 - 9/06
Wei L. Lin, M.D.	
Yung W. Juan, M.D.	

HONORS AND AWARDS:

1st Prize: "Severity of Canine Renal Injury Following Warm Ischemia and its Relationship to Compensatory Hypertrophy and Repetitive Injury." Resident's Day Competition. At the Michigan Branch of the American Urological Association, Detroit, MI, May 1981.

2nd Prize - Clinical Research: Exhibit: "^{99m}Tc-DMSA Scan for Renal Imaging in Children." American Urological Association, Las Vegas, NV, April 1983.

Honorable Mention, Joseph F. McCarthy Essay Contest: "Cutaneous Ureterostomy as Permanent External Urinary Diversion in Children: 15-Year Followup." Western Section, American Urological Association, Vancouver, B.C., July 1983.

3rd Prize, Clinical Research - Exhibit: "^{99m}Tc-DMSA Renal Scanning in Children." Western Section, American Urological Association, Vancouver, B.C., July 1983.

- 2nd Prize, Miley B. Wesson Resident Essay Contest. "Ultrasound diagnosis of prenatal hydronephrosis" (co-author). Western Section, American Urological Association, Reno, NV, July 1984.
- Honorable Mention, Miley B. Wesson Resident Essay Contest. "Urologic aspects of the tethered cord syndrome" (co-author). Western Section, American Urological Association, Anaheim, CA, July 1985.
- Best Poster, Pediatric Poster Session. "Fetal bladder function." American Urological Association, New York, NY, May 1986.
- 2nd Prize, Joseph F. McCarthy Essay Contest. "Fertility in cryptorchidism: Further development of an experimental model." Western Section, American Urological Association, Anaheim, CA, July 1986.
- 2nd Prize, "Histology of the testis in the Prune Belly syndrome." Northern California Urology Resident Seminar. (co-author) Sacramento, CA, November 1986.
- 3rd Prize, Joseph F. McCarthy Essay Contest. "Ontogeny of lower urinary tract function: Studies of neural control and pharmacologic responses of the fetal bladder." Western Section, American Urological Association, Inc., 64th Annual Meeting, San Francisco, CA, March 1988.
- 1st Prize, Jack Lapidus Essay Contest. "Ontogeny of lower urinary tract function: Studies of neural control and pharmacologic responses of the fetal bladder." American Urological Association, Boston, MA, June 1988.
- Special Mention - 2nd Prize. "Assessment of tissue viability in testicular torsion by ³¹P-magnetic resonance spectroscopy." (co-author) American Academy of Pediatrics, San Francisco, CA, October 1988.
- 2nd Prize, "Monitoring renal function in children with urological abnormalities." (co-author) Western Section, American Urological Association, Phoenix, AZ, March 1989.
- 1st Prize, Poster Session, "Anticholinergics in infants with neurogenic bladder." (co-author) Western Section, American Urological Association, Monterey, CA, October, 1990.
- 1st Prize, Joseph F. McCarthy Essay Contest, "Collagen and elastin in the obstructed fetal bladder." (co-author) Western Section, American Urological Association, Vancouver, July 1991.
- 1st Prize, Poster Session, "Urodynamic and clinical follow-up of gastrocystoplasty in children." (co-author) Western Section, American Urological Association, Maui, Hawaii, October, 1992.
- 1st Prize, Residents Essay Contest, "Once a Stomach, Always a Stomach." (co-author) GU Reconstructive Surgeons meeting, San Francisco, CA, October, 1993.
- 3rd Prize, ACMI/McCarthy Essay Contest, "Nitric oxide: effects on in vivo fetal bladder function" (co-author) Western Section, American Urological Association, Palm Desert, CA, November 1993.
- 2nd Prize, Jack Lapidus Essay Contest and Honorable Mention, Laboratory Research, "Nitric oxide mediates lower urinary tract function in the lamb." (co-author), American Urological Association, San Francisco, CA, May, 1994.
- 1st Prize, Poster Session, "Contradictory supra-normal renal function in unilateral hydronephrosis with MAG3 diuretic renography."(co-author), Western Section, American Urological Association, Seattle WA, August, 1994.
- 3rd Prize, Basic Research, "Endothelin-1 causes renal vasodilation in the fetal lamb." (co-author), American Academy of Pediatrics, Houston, TX, October, 1994.

- 2nd Prize, Clinical Research, "The effect of pre-pubertal androgen exposure on adult phallic length." (co-author), American Academy of Pediatrics, San Francisco, CA, October, 1995.
- 3rd Prize, Clinical Research, "Vesicourethral function in mice with genetic disruption of neuronal nitric oxide synthase." (co-author), Western Section, American Urological Association, Scottsdale, AZ, November, 1995.
- 3rd Prize, ACMI/McCarthy Essay Contest, "Genetic disruption of neuronal nitric oxide synthase: Its effect on lower urinary tract function." (co-author), Western Section, American Urological Association, San Diego, CA, July-Aug, 1996.
- Best Poster, "Changes in histology and growth factor expression following complete unilateral ureteral obstruction in the developing and adult rat kidney." (co-author) American Urological Association annual meeting, New Orleans, LA, April 1997.
- 2nd Prize, Miley B. Wesson/Procter Gamle Resident Essay Competition, "Growth factor expression in the obstructed developing kidneys." (co-author), Western Section, American Urological Association, Salt Lake City, Utah, September 1997.
- Grand Prize, Poster Competition, "An insitu evaluation of collateral blood supply to the undescended testicle: Why high ligation of the testicular artery is not necessary for testicular survival." (co-author), Western Section, American Urological Association, Salt Lake City, Utah, September 1997.
- 1st Prize, Upstate NY Resident's Day Competition: Case Report. "Duplicated bladder and latex allergy." (co-author) April 1998.
- 2nd Prize, American Urological Association Essay Contest, "Expression of Wnt genes during late nephrogenesis and in complete ureteral obstruction." (co-author), American Urological Association, San Diego, CA, June 1998.
- 1st Prize, History of Urology Award, "A Brief History of William A. Milner, M.D., 10th President of the NS-AUA," Northeastern Section, American Urological Association, Toronto, Canada, October 1998
- 1st Prize Upstate NY Residents' Day Competition: Case Report. "Angiography and selective renal embolization in an adolescent trauma patient." (co-author), May 1999.
- 2nd Prize, Upstate NY Residents' Day Competition: "Stented vs. unstented pyeloplasty: A controversy revisited." (co-author), April, 2001.
- 1st Prize, Housestaff Scholarly Research Prize (AMC): "Bladder blood flow." (co-author), December 2001
- 2nd Prize, Housestaff Scholarly Research Prize (AMC): "Novel computer algorithm to detect bladder cancer." (co-author), December, 2001.
- 1st Prize, Northeastern Section AUA Essay Contest: "A Comparison of Palpable and Nonpalpable Cryptorchid Testes," (co-author), December, 2001.
- 2nd Prize, Northeastern Section AUA Essay Contest: "Novel computer algorithm to detect bladder cancer." (co-author), December, 2001.
- Silver Scalpel Award for Best Surgical Teacher at Albany Medical College, September, 2005.

INVITED VISITING PROFESSORSHIPS:

University of Texas, Houston, TX - October, 1985
 Baylor University, Houston, TX - March, 1993
 Nesbit Distinguished Visiting Professor, Ann Arbor, MI - November, 1994
 Wayne State University, Detroit, MI - January, 1995
 Emory University, Atlanta, GA - February, 1995
 National Chen Kung University Medical College, Taiwan, ROC - June, 1995
 Terry Allen Professorship, University of Texas, Southwestern Medical Center, Dallas, TX - November, 1995
 Hadassah Hospital/Hebrew University, Israel, Jerusalem - December, 1995
 University of Utah, Salt Lake City, UT - September, 1996
 Blackwell B. Evans Visiting Professorship, Tulane University, New Orleans, LA - April, 1997
 University Ziekenhuizen Leuven, Leuven, Belgium - June, 1997
 Johannes Gutenberg-Universitat Mainz – February, 1998
 State University of New York, Syracuse – May, 1998
 New York Medical College and Long Island Jewish Medical Center – November, 1998
 Johns Hopkins University – December, 1998
 Russell Lavengood Visiting Lecturer, Cornell University Medical School – April, 1999
 William Beaumont Hospital, Royal Oak, Michigan – May, 1999
 Tripler Army Medical Center – March, 2000
 University of Texas at Houston – March, 2000
 Hadassah Hospital/Hebrew University, Israel, Jerusalem - June, 2000
 Boston Children's Hospital – Boston, MA - June, 2000
 Medical College of Virginia –Richmond, VA – February, 2002
 John W. Duckett Lecturer, University of Michigan, Ann Arbor, MI-July 2003
 University of Vienna – Vienna, Austria – November 2003
 University of Rochester – Rochester, NY – March 2004
 Albert Einstein Medical School, Montefiore Hospital, Bronx, NY –April 2005
 Tripler Army Medical Center, Honolulu, HI – February, 2006
 1st Affiliated Hospital of Zhengzhou University, Zhengzhou, Henan, China – September 2006
 Chinese University of Hong Kong, Hong Kong, China – November 2006
 Manley Visiting Professor, Washington University, St. Louis, MO –September 2007

SCIENTIFIC AND PROFESSIONAL MEETINGS AND WORKSHOPS ATTENDED:1982

September	Societe Internationale d' Urologie; San Francisco, CA
October	Reed M. Nesbit Urological Society ; Ann Arbor, MI Advanced Annual Seminar in Urologic Surgery; San Francisco, CA
December	American Association of Neurological Surgeons; San Francisco, CA

1983

January	Northern California Urological Society; San Francisco, CA
February	Uro pathology Review Course; Long Beach, CA
April	American Urological Association; Las Vegas, NV Society for Pediatric Urology; Las Vegas, NV

- May Advances in Pediatrics; San Francisco, CA

December NIH Workshop on Fetal Hydronephrosis; Crystal City, VA

1993

January Laparoscopic Urologic Surgery Course, UCSF; San Francisco, CA
 American Association of Pediatric Urology; Park City, UT

May Society for Fetal Urology; San Antonio, TX
Society for Pediatric Urology; San Antonio, TX
American Urological Association; San Antonio, TX

July American Board of Urology Examination Committee; Jackson Hole, WY

October Annual Advanced Seminar in Urologic Surgery; San Francisco, CA
Annual Pediatric Urology Seminar; San Francisco, CA
American College of Surgeons; San Francisco, CA
Northern California Urological Meeting; San Francisco, CA
Society of University Urologists; San Francisco, CA
James C. Kimbrough Urological Seminar; San Diego, CA

November American Academy of Pediatrics; Washington, D.C.
Current Advances in the Treatment of Intrinsic Sphincter Deficiency;
San Francisco, CA
American Urological Association, Western Section; Palm Desert, CA

1994

January American Board of Urology Examination Committee; Tucson, Arizona
American Association of Pediatric Urology; Cancun, Mexico

April University of Pennsylvania Post-Graduate Course on Bladder Development;
Philadelphia, PA

May American Urological Association; San Francisco, CA
Society for Pediatric Urology; San Francisco, CA
Society For Basic Urological Research; San Francisco, CA
Genitourinary Reconstructive Surgeons Meeting; San Francisco, CA
Society for Fetal Urology; San Francisco, CA
Society of University Urology Residents Meeting; Olympic Valley, CA

June Louisiana State University Postgraduate Course on Urinary Incontinence;
New Orleans, LA

July American Board of Urology
Examination Committee; Colorado Springs, CO

August American Urological Association, Western Section; Seattle, WA

September International Society for Dynamics of the Upper Urinary Tract; Padua, Italy

October American College of Surgeons; Chicago, IL
Genitourinary Reconstructive Surgeons; Chicago, IL
Annual Pediatric Urology Seminar; San Francisco, CA
American Academy of Pediatrics; Houston, TX
American Society of Nephrology; Orlando, FL
National Kidney Foundation; Baltimore, MD

November Pediatric Urology Postgraduate Course; Salzburg, Austria
Reed M. Nesbit Society Meeting; Ann Arbor, MI

1995

January	American Board of Urology, Examination Committee Meeting; Captiva, FL
February	Spina Bifida Association of Georgia; Atlanta, GA
April	Society for Pediatric Urology; Las Vegas, NV American Urological Association; Las Vegas, NV
May	American College of Surgeons, Northern California Chapter; San Francisco, CA
June	Urological Association of the Republic of China; Taipei, Taiwan
July	American Board of Urology, Examination Committee Meeting; Santa Barbara, CA
August	6th International Workshop on Developmental Nephrology (Airlie); Warrenton, VA
October	Northern California Urological Society; San Francisco, CA American Academy of Pediatrics; San Francisco, CA Society for Fetal Urology; San Francisco, CA
November	National Kidney Foundation; San Diego, CA Western Section, American Urological Association; Scottsdale, AZ
<u>1996</u>	
January	AUA/American Board of Urology Examination Committee; Longboat Key, FL
February	Pediatric Urology Seminar; San Francisco, CA Northern California Urological Society; San Francisco, CA
March	European Society of Paediatric Urology; London, United Kingdom
April	American Association of Genitourinary Surgeons; Sea Island, GA
May	American Urological Association; Orlando, FL Society for Pediatric Urology; Orlando, FL Society for Fetal Urology; Orlando, FL Genitourinary Reconstructive Surgeons; Orlando, FL Northern California Urological Society; San Francisco, CA
June	Evidence Based Medicine Course, UCSF; San Francisco, CA
July	American Urological Association, Western Section; San Diego, CA AUA-CD ROM Editorial Board meeting; Houston, TX AUA/ABU - Examination Committee; Williamsburg, VA
August	1996 Urology Symposium; San Diego, CA
September	International Symposium on Spina Bifida; Chicago, IL
October	Utah Urological Association; Salt Lake City, UT American College of Surgeons; San Francisco, CA American Academy of Pediatrics; Boston, MA

- November Annual Advanced Seminar in Urologic Surgery; San Francisco, CA
 Pediatric Specialties Update; San Francisco, CA
 National Kidney Foundation/American Society of Nephrology
 meeting; New Orleans, LA
 Pediatric Managed Care Seminar; San Francisco, CA
- 1997
- January ABU/AUA Examination Committee; Palm Beach, FL
 Special Committee to Study Urology Efforts at NIH; Washington, D.C.
- February Annual Pediatric Urology Seminar; San Francisco, CA
- April 1st International Symposium on Exstrophy and Epispadias; Baltimore, MD
 Genitourinary Reconstructive Surgeons; New Orleans, LA
 American Urological Association; New Orleans, LA
 Society for Fetal Urology; New Orleans, LA
- June National Kidney Foundation, Enuresis Steering Committee, Chicago, IL
 An Update on Pediatric Urology, U. Z. Gasthuisberg, K.U. Leuven, Belgium.
- July ABU/AUA Examination Committee, Aspen, CO
 NIH Special Study Section, Washington, DC
- September Societe Internationale de Urologie, Montreal, Canada
- October Society for Fetal Urology, New Orleans, LA
- November American Academy of Pediatrics, New Orleans, LA
 National Kidney Foundation/American Society of Nephrology, San Antonio, TX
 Kimbrough Urological Society, San Francisco, CA
- 1998
- January National Kidney Foundation, Enuresis Steering Committee, New York City, NY
 ABU/AUA Examination Committee, Puerto Rico
- February German Society of Pediatric Urology, Frankfurt, Germany
 ABU Oral Examination Committee, Dallas, TX
- April Northern New York Resident's Seminar, Skaeneatles, NY
 International Bladder Research Congress, San Francisco, CA
- May Society for Fetal Urology, San Diego, CA
 Society for Pediatric Urology, San Diego, CA
 American Urological Association, San Diego, CA
- July ABU/AUA Examination Committee, Banff, Canada
- October Society for Fetal Urology, San Francisco, CA
 American Academy of Pediatrics, San Francisco, CA
 Northeastern Section, AUA, Toronto, Canada
 National Kidney Foundation, Philadelphia, PA
- December Urology Update 1998, Baltimore, MD

1999

January ABU/AUA Examination Committee, Maui, HI

February ABU Oral Examination Committee, Dallas, TX
Urinary Incontinence, AMC PG Course, Albany, NY

April Impotence and BPH, AMC PG Course, Albany, NY
European Society of Pediatric Urology, Istanbul, Turkey

May Society for Pediatric Urology, Dallas, TX
American Urological Association, Dallas, TX
Michigan Urological Association Resident's Day, Livonia, MI

July ABU/AUA Examination Committee, Whistler, British Columbia

September Pediatric Urology and Prostate Cancer, AMC PG Course, Albany, NY

October Society for Fetal Urology, Washington, D.C.
American Academy of Pediatrics, Washington, D.C.

November Northeastern Section AUA, Bermuda
National Kidney Foundation, Miami, FL
International Bladder Symposium, Washington, D.C.

2000

January ABU/AUA Examination Committee, Orlando, FL

February Incontinence Update, Albany NY

March Hawaiian Urological Society, Honolulu, HI

April Society for Pediatric Urology, Atlanta, GA
American Urological Association, Atlanta, GA
Society of University Urologists, Atlanta, GA

July ABU/AUA Examination Committee, Squaw Valley, CA

August Management Skills for Program Chairs, Cincinnati, OH
Timely Topics in Urology, Delevan, WI

September Northeastern Section, AUA, Pittsburgh, PA

October NKF Enuresis Committee, Chicago, IL
NKF Pediatric Nephrology/Urology Committee, Chicago, IL
American Academy of Pediatrics, Chicago, IL

December Pediatric Urology Review, Albany NY

2001

January ABU/AUA Examination Committee, Rancho Mirage, CA

October American Academy of Pediatrics, San Francisco, CA

PRESENTATIONS:

- "Internal urethrotomy in the treatment of urethral stricture disease." North Central Section, American Urological Association, 1979.
- "Non-gonococcal urethritis." Postgraduate Course: Practical Urology in Family Practice, March 27, 1980.
- "Phosphate therapy of urolithiasis associated with sarcoidosis." North Central Section, American Urological Association, 1980.
- "The diagnosis, etiology and prevention of bladder calculi following acute spinal cord injury." North Central Section, American Urological Association, 1980.
- "Perforation of the renal pelvis in transplanted kidneys: A report of four cases." North Central Section, American Urological Association, 1980.
- "Early postoperative assessment of the functional patency of the ureterovesical junction following ureterneocystostomy." North Central Section, American Urological Association, 1980.
- "Experience with radionuclides." Provincial Society of Paediatric Urology (United Kingdom). April 1982.
- "^{99m}Tc-DMSA scanning to diagnose pyelonephritic scarring in children." Nesbit Society meeting, Ann Arbor, MI. October 1982.
- "Early postoperative assessment of the functional patency of the ureterovesical junction following ureteroneocystostomy." Reed Nesbit Urological Society Biennial Meeting, October 1980.
- "Antibiotics in children." Advanced Annual Seminar in Urologic Surgery, San Francisco, CA. October 1982.
- "The neurogenic bladder in the tethered cord syndrome." Pediatric Section of the American Association of Neurological Surgeons, San Francisco December 1982.
- "Neurogenic bladder in children." Pediatric Nephrologists of Northern California and Nevada, San Francisco, CA. January 1983.
- "Advances in Pediatric Urology." Stegeman Memorial Lecture, Santa Rosa, CA. May 1983.
- "Diagnosis and management of upper urinary tract obstruction." PG course in Advances in Pediatrics, San Francisco, CA. May 1983.
- "Urologic emergencies in the newborn." Moderator, Northern California American College of Surgeons, Urology section, San Francisco, CA. May 1983.

- "Furosemide in neonates: Hypercalciuria, hematuria and calculus disease." Western Section, American Urological Association, Vancouver, B.C. July 1983.
- "Cutaneous ureterostomy as permanent external urinary diversion in children: 15-year followup." Honorable Mention, Joseph F. McCarthy Essay Contest. Western Section, American Urological Association, Vancouver, B.C., July 1983.
- "Cutaneous ureterostomy as permanent external urinary diversion in children: 15-year followup." American Academy of Pediatrics meeting, San Francisco, CA. October, 1983.
- "Bladder dysfunction in children." Panel Discussion, Kimbrough Urological Seminar, San Francisco, CA. November, 1983.
- "Therapeutic options in fetal hydronephrosis." Kimbrough Urological Seminar, San Francisco, CA. November, 1983.
- "Fetal urology." Invited Speaker: Northern California Association of Kaiser Urologists, San Francisco, CA. November, 1983.
- "Clinical use of calcium channel blockers in children with neurogenic bladder dysfunction." Paper presented at the American Urological Association annual meeting, New Orleans. May 6, 1984.
- "Infantile polycystic kidney disease." Paper presented at the Fetal Medicine and Surgery Society meeting, Washington, D.C. June 1984.
- "Hypospadias repair." Guest Speaker, Plastic and Reconstructive Surgery Teaching Rounds. UCSF. June 1984.
- "Testicular cancer." Advanced Annual Seminar in Urologic Surgery, San Francisco, CA. October 1984.
- "Pelvic rhabdomyosarcoma." Advanced Annual Seminar in Urologic Surgery, San Francisco, CA. October 1984.
- "Stones in cystic fibrosis." Paper presented at the Western Section, AUA meeting, Reno, NV. July 1984.
- "Cryptorchidism." Invited Speaker, Marin General Hospital. September 1984.
- "Common pediatric urologic problems." Guest Speaker: Natividad Medical Center, Salinas, CA. October 1984.
- "Cryptorchidism." Santa Rosa Community Hospital, Santa Rosa, CA. January 1985.
- "Scrotal problems in children." Letterman Army Medical Center, San Francisco, CA. January 1985.
- "Endocrinologic considerations in boys with bilateral anorchia." American Urological Association annual meeting, Atlanta, GA May 1985.
- "Fetal bladder function." Fetal Medicine & Surgery Society Meeting, Jasper, Alberta, Canada, June 1985.
- "Neurogenic bladder dysfunction in children." Guest Speaker: Northern California American Urological Association Emeryville, CA, June 1985.

- "Primary fulgeration of urethral valves." International Meeting on Pediatric Urology, Florence, Italy, July 1985.
- "Fertility in cryptorchidism." International Meetings on Pediatric Urology, Florence, Italy, July 1985.
- "Primary fulgeration of urethral valves." Special Pediatric Urology Seminar in Honor of J. H. Johnston, Liverpool, England, July, 1985.
- "Urodynamic evaluation of newborns with myelomeningocele." Western Section of the American Urological Association, Anaheim, CA, July 1985.
- "Renal cortical imaging in children with UTIs." Western Section of the American Urological Association, Anaheim, CA, July 1985.
- "Urologic management of the child with spina bifida." Guest speaker, Spina Bifida Association of America, San Francisco, CA, August 1985.
- "Fertility in cryptorchidism." American Academy of Pediatrics, Urology Section, San Antonio, TX, October 1985.
- "Infertility associated with cryptorchidism." Annual Advanced Seminar in Urologic Surgery: Update on Impotence and Infertility, UCSF, San Francisco, CA, October 1985.
- "The urologic challenge to pediatric imaging." Radiology Postgraduate Education, Advances in Uroradiology: Impact on Our Practice, UCSF, San Francisco, CA, March 1986.
- "UTIs in children." Guest lecturer, Valley Medical Center, Fresno, CA, April 1986.
- "Urethral valves." Invited speaker, Department of Urology Grand Rounds, Stanford University, Stanford, CA, April 1986.
- "Evaluation of Fetal Treatment for Hydronephrosis" International Fetal Medicine and Surgery Society Meeting, London, England, July, 1986.
- "Primary Fulgeration of Urethral Valves in Neonates" "Fertility in Cryptorchidism - An Experimental Model", American Urological Association, Seattle, WA, July 1986.
- "Cryptorchidism." Invited Speaker - Community Hospital of Santa Cruz, Santa Cruz, CA, 1986.
- "UTIS in Children" and "Urinary Incontinence: Approach to the Child", Invited Speaker, St. Vincent's Medical Center, Toledo, CA, September, 1986.
- "Dyscoordinated Voiding in Children," "Intermittent Catheterization vs. Diapers in Infants with Myelomeningocele" and "Management of the Flaccid Bladder in the Myelomeningocele Patient." Annual Advanced Seminar in Urologic Surgery, University of California, San Francisco, CA, October 1986.
- "Histology of the Fetal Testes." Reed Nesbit Urological Society, Ann Arbor, Michigan, October 1986.
- "Cryptorchidism." Invited Speaker, Johns Hopkins University-Department of Urology, Baltimore, MD, October 1986.

- "Magnetic Resonance Imaging in Genital Anomalies" and "An Experimental Model for Fertility in Cryptorchidism." Presentation, Urology Section-American Academy of Pediatrics. November 1986.
- "Magnetic Resonance Imaging in Genital Anomalies" and "Recent Breakthrough in Infant Urine Collection." Western Section, American Urological Association, Kona, HI. February 1987.
- "Recent Advances in the Treatment of UTIS in Children." Invited Speaker, Family Practice Grand Rounds, Santa Rosa Community Hospital, Santa Rosa, CA. April 1987.
- "Effects of Cholinergic Drugs on Fetal Bladder Function." American Urological Association, May 1987.
- "Fetal Testicular Histology in Prune Belly Syndrome and Posterior Urethral Valves." International Fetal Medicine and Surgery Society, Mackinac Island, MI, June 1987.
- "Hormone Levels in Cryptorchidism." Urology Section - American Academy of Pediatrics New Orleans, LA.
- "Childhood UTIs." Pediatric Grand Rounds, Marin General Hospital, San Rafael, CA, January 1988.
- "Pediatric Problems." Moderator, 64th Annual Meeting Western Section American Urological Association, San Francisco, CA, February 1988.
- "UTIS in Children." Invited Speaker, Pediatric Grand Rounds, Valley Medical Center, Fresno, CA, February 1988.
- "Fetal Bladder Function." Society for Fetal Urology, Chicago, IL, February 1988.
- "Ontogeny of Bladder Function" and "Hormone Levels in Cryptorchidism." Western Section AUA, San Francisco, CA, February 1988.
- "Impact of Fetal Ultrasound or Urologic Intervention." Controversies in Uroradiology, San Francisco, CA, March 1988.
- "Neonatal Urology." Perinatology Rounds, Mt. Zion Hospital, San Francisco, CA, March 1988.
- "UTIs in Children and Genital Problems in Children." Advances in Pediatrics, Post Graduate Course, San Francisco, CA, April, 1988.
- "Urinary Incontinence." Grand Rounds, Los Gatos Community Hospital, Los Gatos, California, May, 1988.
- "Treatment of Vesicoureteral Reflux." Invited Speaker, Urology Grand Rounds, Children's Hospital, San Francisco, CA, May 1988.
- "Fetal Hydronephrosis." Grand Rounds, San Francisco General Hospital, San Francisco, CA, May 1988.
- "Current Management of Neuroblastoma." Urologic Oncology Postgraduate Course, UCSF, San Francisco, CA, October 1988.

- "Common Genito-urinary Problems." American Academy of Pediatrics Post-Graduate Course, San Francisco, CA, October 1988.
- "Urinary Tract Infections: Controversies and New Approaches." Nephrology Section, American Academy of Pediatrics, San Francisco, CA, October 1988.
- "Pediatric Urology." Pediatric Nurse Practitioner Course, UCSF, San Francisco, CA, February 1989.
- Moderator of Pediatric Ultrasound Section of Ultrasound in Urology, UCSF, San Francisco, CA, February 1989.
- "Fetal and Neonatal Hydronephrosis: When is Intervention Warranted?" Ultrasound in Urology, UCSF, San Francisco, CA, February 1989.
- "Genital Problems in Children." Department of Pediatrics, Valley Medical Center, CA, February 1989.
- "Distal Hypospadias." Postgraduate Course, Western Section American Urological Association, Phoenix, AZ, March, 1989.
- "The Incontinent Child: Evaluation and Tips on Management." Overview of Urinary Incontinence, UCSF, CA, April, 1989.
- "Fetal Bladder Histology." International Fetal Medicine and Surgery Society meeting, Pacific Grove, CA, June, 1989.
- "The Radiographic Evaluation of Children with UTIs." Sixth Annual Pediatric Urology Seminar, San Francisco, September, 1989.
- "Bladder Dysfunction in Children: Clinical and Experimental Observations." Visiting Lecturer, University of Heidelberg, West Germany, September, 1989.
- "A Better Technique for Measuring Renal Function." Society for Fetal Urology, Chicago, IL, October, 1989.
- "Monitoring Renal Function in Children with Urologic Abnormalities." American Academy of Pediatrics - Section on Urology, Chicago, IL; October, 1989.
- "Reimplantation with Psoas Hitch/Boari Flap," "Extravesical Reimplantation Techniques," "Advancement Techniques for Distal Hypospadias," and Bladder Mucosal Grafts for Proximal Hypospadias." Reconstructive Urology Postgraduate Course, San Francisco, CA, October, 1989.
- "Current Urologic Management of Spina Bifida." Invited Lecturer: Spina Bifida Association of America, San Francisco Section, November, 1989.
- "Genital Abnormalities in Children." Invited Lecturer: Community Hospital of Santa Cruz, Santa Cruz, CA, November, 1989.
- "UTIs in Children." Invited Lecturer: Valley Medical Center, Fresno, CA, December, 1989.
- "Clinical and Experimental Observations on Bladder Dysfunction in Children," Guest Lecturer at Washington University, St. Louis, MI, January, 1990.

- "Big Problems with Big Ureters in Little Children," American Association of Pediatric Urologists, Park City, Utah, January, 1990.
- "Dealing with the Uncooperative Bladder in Children; Toilet training; Enuresis, myelomeningocele." Invited Lecturer: Postgraduate Course: Voiding Dysfunction and Urinary Incontinence, San Francisco, CA, March, 1990.
- "Fetal Bladder Function: Clinical Implications" and "Hypospadias Repair," at the International Urologic Seminar; San Francisco, CA, April, 1990.

"Neonatal Hydronephrosis," AUA Postgraduate Course, San Antonio, TX, May, 1993.

"Update on Enuresis," Invited Lecturer - Phillipine Medical Society of Northern California, San Francisco, CA, June, 1993.

"Pediatric Laparoscopy: Orchiopexy," "The GAP: The Ultimate in Cosmesis," "Is Gastrocystoplasty Worth the Trouble?," Technical Innovations in Urology, Annual Advanced Seminar in Urologic Surgery, UCSF Postgraduate Course, San Francisco, CA, October, 1993.

"The Light at the End of the Tunnel: Laparoscopic Orchiopexy," Annual Pediatric Urology Seminar, UCSF, San Francisco, CA, October, 1993.

"Ureteral and Ureteropelvic Junction Obstruction," Moderator, American College of Surgeons Annual Meeting, San Francisco, CA, October, 1993.

"Gastrocystoplasty: Results and Cautions," Invited Lecturer - James C. Kimbrough Urological Seminar, San Diego, CA, October, 1993.

"Ureteropelvic Junction Obstruction," Moderator, American Academy of Pediatrics, Washington, D.C., November, 1993.

"Management of Enuresis," Invited Speaker, St. Rose's Hospital, Hayward, CA, April, 1994.

"Gastrocystoplasty--Is It a Burning Issue?," Invited Speaker--Surgical Grand Rounds, Children's Hospital of Philadelphia, Philadelphia, PA, April, 1994.

"Fetal Bladder Physiology--In Vivo Studies", Invited Participant in Conference of Muscle Matrix and Bladder Function, Children's Hospital of Philadelphia, Philadelphia, PA, April, 1994.

"Research in Normal Fetal Bladder Development and Function", Society for Basic Urologic Research, American Urological Association Annual Meeting, San Francisco, CA, May, 1994.

Presentation: Pediatric Uroradiology Quiz, Society of University Urology Residents Meeting, Olympic Valley, CA, May, 1994.

"Studies of Normal Fetal Bladder Function," Invited Speaker, Society for Pediatric Urology, San Francisco, CA, May, 1994.

"Once a Stomach, Always a Stomach: Physiology of Gastrocystoplasty," Society for Pediatric Urology, American Urological Association Annual Meeting, San Francisco, CA, May, 1994.

"A Multi-dimensional Approach to Urinary/Fecal Control in Children," Louisiana State University, New Orleans, LA, June, 1994.

"Partial Urinary Obstruction in the Sheep Fetus," Society for Dynamics of the Upper Urinary Tract, Padua, Italy, September, 1994.

"Retrograde Endopyelotomy," Annual Pediatric Urology Seminar, UCSF, San Francisco, CA, October, 1994.

"Neonatal Hydronephrosis," "Neuropathic Bladder," "Laparoscopy," "Reflux," and "Hypospadias," presented at a Pediatric Surgery Postgraduate Course, Salzburg, Austria, November, 1994.

"Lessons from the Fetus," Reed M. Nesbit Society Meeting, Ann Arbor, MI, November, 1994.

"Burning Questions About Gastrocystoplasty". Invited Speaker, Surgery Grand Rounds, University of Michigan, Ann Arbor, MI, November, 1994.

"Neonatal Hydronephrosis," Fetal Urinary Tract Research," and "Pediatric Urinary Tract Reconstruction". Visiting Professor, Emory University, Atlanta, GA, February, 1995.

"Pediatric Neurogenic Bladder Update". Invited Speaker, Spina Bifida Association of Georgia, Atlanta, GA, February, 1995.

"Pediatric Urodynamics". Invited Speaker, 6th AUA Highlight Meeting, American Urological Association annual meeting, April, 1995.

"Circumcision". Invited Speaker, Valley Children's Hospital, Fresno, CA, May, 1995.

"New Imaging Studies for the Evaluation of Renal Disease in Children". Participant, "Advances in Pediatrics," UCSF Postgraduate Course, May, 1995.

"Gastrocystoplasty: Is it a Burning Issue?". Visiting Professor, National Cheng Kung University Medical College, Taiwan, Republic of China, June, 1995.

"Fixing the Unfixable: Urologic Reconstruction in the 90s". Urological Association of the Republic of China, Taipei, Taiwan, June, 1995.

"Is the Fetus Facing Backwards? Endothelin Causes Vasodilation in the Fetus". Invited lecturer, 6th International Workshop on Developmental Nephrology (Airlie), Warrenton, VA, August, 1995.

"Enuresis: Is Your Current Approach All Wet?" and "Pediatric Urology for the General Practitioner". Invited Lecturer. American Academy of Pediatrics annual meeting, San Francisco, CA, October, 1995.

"The Role Nitric Oxide in Fetal Bladder Physiology". National Kidney Foundation, 45th Annual Scientific Meeting, San Diego, CA, November, 1995.

"Neurogenic Bladder in Children". Visiting Professor: Hadassah Hospital/Hebrew University, Jerusalem, Israel, December, 1995.

"Endopyelotomy: Lessons Learned in the Past Year". Pediatric Urology Seminar, UCSF, February, 1996.

"Enuresis". Pediatric Grand Rounds, California Pacific Medical Center, San Francisco, CA, February, 1996.

"Retrograde Endopyelotomy: Lessons Learned in the Past Year". Course Co-Director, Pediatric Urology Seminar, UCSF, San Francisco, CA, February, 1996.

"UTIs in Children". Invited Lecturer to Family Practice Residency, Natividad Medical Center, Salinas, CA, March, 1996.

"Love It or Leave It: Intermittent Catheterization in Boys Using the LoFric Catheter", and "Manipulative Renography: Effect of Background Substitution on Renal Function". Presented at the European Society of Paediatric Urology, London, England, March, 1996.

"Embryology of the Valve Bladder". Presented and Moderator: Posterior Urethral Valves, Society of Pediatric Urology, American Urological Association, Orlando, FL, May, 1996.

"Pediatric Urology". Lecture to Primary Care Nurse Practitioner Students, UCSF, May, 1996.

"Advances in Developmental Urology" and "Technical Advances in Pediatric Urology". Presented at the Kaiser Permanente, 1996 Urology Symposium, San Diego, CA, August, 1996.

"Smooth Muscle Physiology" and Maintenance of Renal Health". Presented at the International Symposium on Spina Bifida, Chicago, IL, September, 1996.

"Fact, Fiction and Fun in Fetal Urology", and "Minimally Invasive" Pediatric Urology. Visiting Professor at University of Utah. Presented at Utah Urological Association, Salt Lake City, UT, September, 1996.

"Imaging Studies for Congenital Anomalies." American College of Surgeons, San Francisco, CA, October, 1996.

"Renal Failure in Infancy." Moderator: National Kidney Foundation/American Society of Nephrology meeting, New Orleans, LA, November, 1996.

"Extravesical (Detrusorrhaphy)" and "GAP." Program Co-Chair and Moderator: Pediatric and Reconstructive Urology, Annual Advanced Seminar in Urologic Surgery: Innovations in Urologic Surgical Techniques. San Francisco, CA, November, 1996.

"Specialized Pediatric Urology Care: Assessing Costs, Benefits, Outcomes and Value." UCSF, Pediatric Specialties Update, San Francisco, CA, November, 1996.

"New Techniques for Checking Penile Chordee." Co-Director, Annual Pediatric Urology Seminar, UCSF, San Francisco, CA, February, 1997.

"Surgical Management of UPJ." Society for Pediatric Urology, American Urological Association annual meeting, New Orleans, LA, April, 1997.

"Current Imaging Strategies in Children with UTI's: Who, When, How". University of California San Francisco, Advances and Controversies in Clinical Pediatrics Course, San Francisco, CA, May 1997.

"Diagnosis and Treatment of Cryptorchidism, Intersex and Hypospadias". Western Section American Urological Association Post-graduate Review in Urology, Los Angeles, CA, May 1997.

"Physiology, Diagnosis and Management of Neonatal Uropathy," "Congenital Neurogenic Bladder Dysfunction: Diagnosis and Management," and "Cryptorchidism: Diagnostic and Treatment Options."

An Update on Pediatric Urology, Universitair Ziekenhuis Gasthuisberg, K.U. Leuven, Belgium, June, 1997.

27. Paternity after adolescent varicocele repair. 30: 533-4, 2004.
28. The outcome of prenatally diagnosed renal tumors. 30: 534, 2004.
29. Timing of follow-up voiding cystourethrogram in children with primary vesicoureteral reflux: development and application of a clinical algorithm. 31: 91-2, 2005.
30. Ureteroscopy for pediatric urolithiasis. 31: 92-3, 2005.
31. Subureteral injection of Deflux for correction of reflux. 31: 183-4, 2005.
32. Dysfunctional voiding and incontinence scoring system. 31: 184-5, 2005.
33. Routine voiding cystourethrography is of no value in neonates with unilateral multicystic dysplastic kidney. 31: 411-412, 2005.
34. Myogenic bladder decompensation in boys with a history of posterior urethral valves. 31: 412-3, 2005.
35. Diagnosis of pediatric urolithiasis: role of ultrasound and computerized tomography. 31: 510-11, 2005.
36. Balanitis xerotica obliterans in boys. 31: 511-2, 2005.
37. Does the less aggressive multimodal approach of treating bladder-prostate rhabdomyosarcoma preserve bladder function? 31: 613, 2005.
38. Small intestinal submucosal bladder neck slings for incontinence associated with neuropathic bladder. 31: 614-5, 2005.
39. Phimosis: stretching methods with or without application of topical steroids? 32: 121-2, 2006.
40. Intermittent hydronephrosis secondary to ureteropelvic junction obstruction: clinical and imaging features. 32: 122-3, 2006.
41. Antegrade scrotal sclerotherapy for treating primary varicocele in children. 32: 251-2, 2006.
42. Clinical significance of primary vesicoureteral reflux and urinary antibiotic prophylaxis after acute pyelonephritis: a multicenter, randomized, controlled study. 32: 252-3, 2006.
43. Bladder reservoir function in children with monosymptomatic nocturnal enuresis and healthy controls. 32: 494-5, 2006.
44. The impact of attention deficit hyperactivity disorders on brainstem dysfunction in nocturnal enuresis. 32: 495-6.
45. Augmentation cystoplasty rates at children's hospitals in the United States: a Pediatric Health Information System database study. 32: 610-1.

46. Nocturnal enuresis in adolescents and adults is associated with childhood elimination symptoms. 32: 611-2.
47. Lack of usefulness of positioned instillation of contrast cystogram after injection of dextranomer/hyaluronic acid. 32: 742-3.
48. Preoperative anxiety, postoperative pain, and behavioral recovery in young children undergoing surgery. 32: 743-4
